Doctors and healthcare workers reflect God's character and love for people in a unique way by caring for the physical needs of others. God cares for the needs of people so much that Jesus stated that "as you did it to one of the least of these my brothers, you did it to me,"

We are blessed to have great doctors and healthcare workers in the United States. There are many of our friends and neighbors who cannot afford insurance and have health issues. Redwine Church is starting a medical fund for this type of situation. Sometimes doctors are willing to help and may give reduced rates for services for those not able to pay. Our mission is to work with the doctors and hospitals to negotiate a reduced fee so the church can assist with the bill.

We are a 501c3 and your donation is tax deductible.
